OUR JOURNEY

Crafting Hospitality Legacy

From Modest Beginnings to a Landmark Destination

Established in 1993, GCC (Green Court Club) began as a humble gymkhana with a small poolside restaurant; a welcoming space for leisure and community bonding. What started as a local favorite gradually transformed into a name synonymous with hospitality and trust.

Today, GCC stands among North Mumbai's most respected and expansive hospitality destinations; a **3-star hotel** offering refined amenities, warm service, and memorable experiences for every guest.

Over the years, GCC has steadily expanded its footprint with thoughtfully designed banquet and conference halls, sprawling landscaped lawns, and accommodation facilities catering to hundreds of guests. From intimate gatherings to grand celebrations and large-scale corporate events, GCC continues to evolve with changing times; combining infrastructure, service excellence, and heartfelt hospitality to create experiences that leave a lasting impression.

He is smiling and looking towards the right. Another person's hand is visible on the sofa next to him. The background consists of light-colored curtains and a wall-mounted light fixture.

Mr. Vijay Saini

Chairman & Managing Director, GCC Group

Mr. Vijay Saini, Chairman and Managing Director of GCC Group, is a visionary leader whose passion and perseverance have been instrumental in shaping the organization's success. A hospitality graduate from the prestigious IHM Dadar Catering College, Mumbai, he has always believed in the values of hard work, commitment, and genuine service.

In the early 1990s, he laid the foundation of GCC with a clear vision and unwavering determination. What began as a humble dream has grown into a trusted hospitality group known for its quality, warmth, and excellence, reflecting his leadership and dedication to people, teamwork, and lasting relationships.

CORPORATE EXCELLENCE

Crafted for Conferences

The thoughtful planning that has gone into creating GCC Hotel & Club has taken into account the fluctuating needs of the corporate world. It could be a boardroom meeting, a training programme, a product launch, or a high-powered business conference that requires a fully integrated professional environment that meets all the needs for a high-impact get-together.

With **50+ conference rooms and banquet halls**, along with **2 Spacious lawns** that are spacious enough for any event or get-together, each facility is provided with all the modern amenities that a corporate event requires. The venue also features a dedicated **Conference Dining facility** that can host over **400 participants** seamlessly.

For corporate meetings that require a longer duration, GCC Hotel & Club has **288 Rooms** and **107 Serviced Apartments** that can accommodate over **1000 participants** at any given time.

For **Day Conferences** or **Residential Conferences**, there are specially designed packages that include meal plans along with different types of occupancy options that are suitable for corporate meetings.

With the help of professional support services and free Wi-Fi connectivity, along with on-call medical facilities, any conference held here is a testament to the hotel's ability to efficiently manage high-powered corporate meetings.

A Milestone Moment Achieved

Hosting 41 conferences in one day, GCC showcased its extraordinary capacity and commitment to delivering seamless corporate experiences.

GCC Kinderland is a nurturing preschool with **two branches in Mira Road and Bhayander**, designed to introduce young learners to the joy of discovery. With programmes for playgroup, nursery, junior KG, and senior KG, it focuses on building strong foundational skills during the early years, encouraging curiosity and early development. Blending structured learning with interactive play, the curriculum develops language, motor, social, and emotional skills in a warm and secure environment.

Through engaging activities, storytelling, and creative exploration, children are encouraged to express themselves and build confidence. Supported by trained educators and child-friendly spaces, Kinderland creates a joyful learning experience where children begin their journey with confidence and a love for learning.

SUSTAINABLE COMMITMENT

GCC Goes Green

At GCC, sustainability is not an initiative; it is an ongoing commitment woven into our operations and infrastructure. Through energy-efficient systems, responsible water management, waste reduction practices, and green construction, we continuously work towards minimizing our environmental footprint while delivering world-class hospitality.

Energy Conservation

- Solar water heating system generating 4,000L daily
- AC heat recovery system reducing energy wastage
- Solar electricity fed back into the power grid
- Energy-efficient heat pumps optimizing dual usage

Water Management

- Sewage Treatment Plant with 1,00,000L/day capacity.
- Rainwater harvesting system storing 40,000L daily.
- Pressure-regulated taps to reduce water consumption.
- Motion sensor fixtures for efficient water use

Waste Reduction

- Segregated waste management system.
- Biogas plant converting organic waste into cooking gas.
- Reduced plastic usage across operations.
- Composting unit reusing 100% wet waste as fertilizer

Green Construction & Landscape

- Energy-saving Siporex bricks & double-glazed windows.
- 75,000 sq. ft. landscaped green spaces.
- Plantation of over 230 trees across campus.
- Natural cooling design for reduced heat absorption

“At GCC, sustainability is not a choice — it is a commitment we uphold every day.”
